

OUR SUPERSTAR DADS

Take a moment to put up a star on the window in the foyer to honor your father during the Sundays leading up to Father's Day. No matter your age, you have a dad or someone in your life who served as your dad — be it a brother, uncle, grandfather, etc. Jot a few words to honor your dad or share a special memory of him and tape it up on the window. (There are stars, tape, and Sharpie markers in the foyer.) Take some time to be encouraged or inspired by reading what others have written to honor OUR SUPERSTAR DADS.
