

Calvary Baptist Church Family:

As many of you know, our church kitchen is a central element for many activities of our church. It has served us well for many years. . . and been *well-used*. It is getting tired and desperately needs a refresh.

Thankfully, the Lord has blessed us with some specially designated gifts and memorial funds earmarked for kitchen renovation!

For this reason, the Trustee Committee established a kitchen renovation team to identify our needs and develop a plan. After more than 2 years, working with the Trustees and church ministry stakeholders, we now have a kitchen renovation plan prepared. We are *excited* to share with all of you the major details of how we will use the funds God has entrusted to us.

God has also provided a known and trusted contractor, Tim Jacobs, to help us work within our funding constraints and perform the work. We are confident in his workmanship and that this renovation will address many of the kitchen challenges we have been coping with over the years.

The Kitchen Renovation Plan Includes:

- Overall layout remains the same; changes to doors to provide better access and counter utilization
- Repurpose the storage and shower space behind the men's restroom into a walk-in pantry, accessible directly from the kitchen
- New wall cabinets, counter tops, island cabinets
- New sinks, faucets, and plumbing in the island and coffee service area
- Additional electrical circuits for roasters and crock pots in kitchen and gym
- Additional lighting under cabinets and over stoves
- New flooring, ceiling tiles, windows, high flow stove vent
- Keep existing stoves and refrigerators; they are still serving us well

Please stop by the Welcome Center after the service this morning to talk with us about your questions; or, you can reach out to Kevin Powell, Gary Hensch, Rachel Stephenson, Kathy Kaufman, Gina Taylor, Ann Eckert, or Jeannette Frey.

Our plan is to start renovations on the Monday following VBS and be finished in time for various ministries to resume in September. There will be a special meeting following the morning service next Sunday, 6/7/2026 for members to vote on the investment of our financial resources for this kitchen renovation.

Your participation is needed — please come!
